STRICT COVID 19 PROTOCOLS OBSERVED

\*T&C Apply

Highly recommended for any job with a likelihood of coming into contact with blood. Ideal for Correctional & security officers, maintenance teams, gym / beauty / hospitality staff, tattoo artists, youth, NGO volunteer workers, etc.

**STEER YOUR CAREER WITH RHENS**

## Target Market

The AHA Heartsaver Bloodborne Pathogens Course is designed for anyone with a reasonable chance of coming into contact with bloodborne pathogens.

- Learners can complete at their own pace at work, home, or wherever Internet access is available
- AHA Certificate of completion.
- Access to all information in the online portion for 12 months after activation of their key to help reinforce what they have learned
- Includes audio and transcript for students who may have a hearing or visual disability

This self-directed eLearning course is designed to meet OSHA requirements for bloodborne pathogens training when paired with site-specific instruction.

Heartsaver Bloodborne Pathogens Online was designed specifically for workers with a reasonable chance of coming into contact with bloodborne pathogens such as

- Childcare workers
- Security guards
- Maintenance workers
- School personnel
- Hotel housekeepers
- Health and fitness club staff, and
- Tattoo artists

## Duration, Other Information

- Duration: Online self-paced only
- AHA Certificate

## Background & Context

Heartsaver Bloodborne Pathogens Online teaches employees how to protect themselves and others from being exposed to blood or blood-containing materials. This course is designed to meet OSHA requirements for bloodborne pathogens training when paired with site-specific instruction. This course provides students with the convenience of completing the course at their own pace wherever they have access to the Internet. It includes interactive exercises and videos to engage students and provide periodic points of knowledge transference, along with audio and transcript for students who may have a hearing or visual disability, and much more.
